# JOIN THE CONVERSATION

*A movement birthed out of prayer*, relationships and a hunger to see the Kingdom of God at work, is spreading across the globe.

*The vision* is to see holistic transformation take place in all spheres of community and culture within our towns and cities.

*Join Christian leaders across Australia from various areas of the church, business, education, arts, media, health and government, as we discuss and imagine the new and exciting possibilities of moving together for a better future for our communities.*
