

Established in 2009, the Newcastle Annual Lord Mayor’s Prayer Breakfast has served to elevate the Church of Newcastle, demonstrating a strong Christian presence and culture to our civic leaders. The purpose of the breakfast is to acknowledge God, the power of unity and prayer, and to invite His blessing over Newcastle and its people.

In 2025, we welcome a new Lord Mayor, **Cr Ross Kerridge**, and a return to **Newcastle City Hall** as our venue. This change brings a new format—an informal buffet-style breakfast to accommodate all attendees. The formal program will be held in the **Concert Hall** in a **theatre-style seating arrangement**. All other event details, including the date and timings, remain the same.

I invite you to join with **Kingdom-minded churches, schools, businesses, and organisations** in supporting this event through sponsorship. Over the past decade, **more than \$169,000** has been donated to local charities, made possible through the generosity of our sponsors.

Additionally, the **Lord Mayor’s Student Leadership Forum**, established in 2013, runs in conjunction with the Prayer Breakfast. Students serve at the breakfast and then attend their own leadership forum, designed to **connect this generation of leaders with the next**.
